## Armageddon rages

*by Michael Mangan*

**S**URELY WE HAVE LEARNED from last month’s cataclysmic events that Heaven says what They mean and mean what They say! Who could have imagined that an act of terrorism would claim up to 6000 lives, but Our Lady, Who warned us as far back as 15 years ago not to “take lightly” these “murderers” and “carnage.” And now Tuesday, September 11, 2001 has the inglorious distinction of being the bloodiest and deadliest day in American history, dwarfing the previous high set during the Civil War when 3654 soldiers were killed in one day in the 1862 Battle of Antietam in Maryland.

*Some of the rubble, about eight stories, from the World Trade Center*

*Michael Mangan and Bill Dykes, after getting clearance, went to work at Ground Zero for St. Michael’s radio, web, and print communications. Bill took hundreds of excellent photos, including all of the following, except the before and after photos*

*of the New York skyline in Lower Manhattan. They were taken by devotee Leon Trabachino of Keyport, N.J. Michael did lots of interesting interviews with police, fire, emergency and rescue workers, families of victims and many others.*

Here's two interesting points to consider: Our Lady's warning of a terror attack "on the state building" came on the same calendar day in 1990—

Tuesday, September 11—and we recently learned about the World Trade Center that "for a long time it was also a big state office building where you went to get a document stamped or a license renewed" (*The New Yorker*, Sept. 24, 2001).

Now with our nation at war with no end in sight, it is urgent we get out swiftly the new *Heaven Speaks Today, Attack on America*. Now. En masse. Around the globe.

This message from Our Lady can save thousands of lives and souls. It can stamp out terrorism, end this war in Afghanistan quickly and bring peace and order to a fragile world—if we obey the counsel from Heaven. This may sound incredible, if not impossible, except when we recall the extraordinary power of national repentance and prayer, especially the holy Rosary, in gaining God's favor and protection.

That is why it is critical that God's children everywhere receive this powerful and colorful brochure that not only exposes the evil plans of the terrorists but, even more importantly, clearly defines the spiritual dimension to this crisis.

Ultimately, our biggest enemy is not Osama bin Laden but legalized abortion, homosexuality, pornography and blasphemy. Worse than bin

Laden—the world is sin-laden. Even if Osama is smoked out, there are a thousand others to replace him.

To put things in perspective, in the six weeks since the terror attack, over 170,000 babies have been killed in abortion clinics in the United States alone, 28 times the amount killed in the September 11 tragedy. One recent article stated that a staggering 400 million abortions are annually committed worldwide! The unborn are being terrorized.

We see and hear all over *God Bless America* but how can God bless America when our land allows and even funds the slaughter of His holy innocents?!

There is a far greater and more intensive war being waged right now against us that is invisible but nonetheless fierce, relentless and very influential on world events: "It is a war of the spirits . . . the time of Armageddon" (Our Lady, Dec. 24, 1976).

Good against evil. Heaven against hell. The Queen of Heaven against the prince of darkness.

Our Lord explained on October 6, 1977: "Politics will not influence the advance of the man of sin. When your leaders recognize the existence of a supernatural world, My child, much more shall be accomplished in saving your city, your state, and your nation. As long as they accept everything upon a human basis, My child, they will never be able to defeat one who is supernatural."

The only true and lasting solution is not bombs and invasion, but prayers and a holy truth

That the cardinals and bishops would lead us in keeping the counsel of Our Lady and that of the prophet Joel: “Gird yourselves, and lament, O ye priests, howl, ye ministers of the altars: go in, lie in sackcloth, ye ministers of my God. . . Sanctify ye a fast, call an assembly; gather together the ancients, all the inhabitants of the land into the house of your God: and cry ye to the Lord” (Joel 1.13-14).

It seems any action but prayers and conversion are futile as Our Lady indicated on October 6, 1978: “Your country, the United States, will become involved and be asked to send more young to be slaughtered in foreign lands. You must not follow that calling. It will be useless.”

Our Lord added on June 6, 1987: “You are being tempted now to bring your sons to the foreign shores of foreign nations to fight and lose their lives. Is this what you want? How many hearts of parents will be torn by the carnage of receiving greetings from the United States or Canada, from the Army, the Navy, the Marines, saying: ‘Your son is dead or missing in action.’”

In Her last public message on June 18, 1994, Our Lady warned: “The next war will embroil many nations. It will be a war to the finish.” Ugh!

Now is the time for the Christian world to roll out the heavy artillery, not nuclear missiles, but one of the greatest weapons on the face of this earth—the holy Rosary: “The greatest power given to Me from the Father are your beads of prayer” (Our Lady, Dec. 24, 1972).

Catholic history has proven the victories won by this simple prayer. At Lepanto. Belgrade. Austria.

Again Our Lady reminds us: “Realize the power in your hand with the Rosary, for in your hands you hold the power of God” (Oct. 6, 1970).

Wow! This isn’t just a nice little thing to pray but a potent force that can crush the evil one, “a murderer from the beginning” (John 8:44).

St. Michael’s is chipping in by offering, until further notice, the three Rosaries of the Sunday Holy Hour for peace in the world.

It’s not coincidental that the war in Afghanistan began on October 7, the Feast of the Holy Rosary. We have rejected so far Heaven’s peace plan and now we risk a bloodbath both here and abroad. As Our Lady stated on March 26, 1983: “No war has ever made a pretty picture.”

We need to blitz our town, the nation and the world with this sobering but hopeful message and pray that the clergy and lay, the elected official and citizen take these words from Heaven seriously this time. Or else.

How many more deaths and prophecies fulfilled will we have to count before we get it?

For sheer impact there is nothing like being at Ground Zero. The gut-wrenching experience and the utter devastation was like something lifted from the pages of the Apocalypse, perhaps a preview of Chapter 18.

We hope and pray this never happens again. A critical gauge will be the national and the global response to Our Lady’s message, *Attack on America*.

## “It is your duty as a Catholic

*... to spread the message of God and save some of these poor souls” Jesus, June 18, 1984*

With all of the recent bioterrorist attacks of anthrax, our mission as apostles of the latter days becomes even more urgent. Let us mobilize and get this message out to the four corners of the globe.

We printed *Attack on America* in full brilliant color to make it even more attractive and eye-catching for distribution and mailing. This should make your job a little bit easier. So place your order of *Heaven Speaks Today*, sharpen your pencils or put on your sneakers, there’s a lot of missionary work to do.

Our low, low price for bulk amounts will remain the same. Naturally all of this is costing us thousands more, but no effort or expense should be spared to shout from the rooftops the only solution to war and terrorism.

### ***Bishops, Congress informed***

We have sent out hundreds of press releases to media across the nation and we mailed this message to the U.S. Bishops, the U.S. Congress, and of course, to our 35,000 pilgrims at the cost of \$11,500.

As a member of our team, though, we depend on your help—spiritual and temporal. It’s crucial now. You have always been so kind and generous to Our Lady’s cause for which we are always grateful and also confident that you will respond now again.

Your gift of \$10, \$100, \$500, \$1000 or more will help us immensely with this project.

You can charge your gift by going online and using our safe and secure website or by calling our orderline 1-888-830 SMWA (7692). A big thanks in advance.

For a donation of \$20 or more we will send you a complimentary copy of our popular Ground Zero radio broadcasts (shows 193 and 194). Also go to our website [www.smwa.org](http://www.smwa.org) to see our impressive Ground Zero report. There’s over 50 photos that have moved many visitors.

### ***Your gift is needed today***

We hope to hear from you today. There is no time to lose. Remember to place your order for *Attack on America* and please include your kind and thoughtful gift. Whatever your means allow, \$10 or \$20 or \$1000, it is a gift to Our Lady and Her desperate cause of the latter days for which you will be handsomely rewarded: “All that you give in faith and charity shall be returned to you threefold” (Jesus, June 1, 1978).

Thank you for all your prayers. Please keep them rising to Heaven. They are vital for the life and health of this apostolate. Be assured you and your loved ones are remembered daily in our community Rosaries and prayers and at all of the Rosary Vigils and Sunday Holy Hours.
