“Pastors will be shot down like targets”

by Michael Mangan

A big heads-up to priests from Our Lady

It's been a rough year for the Roman Catholic clergy, and for sure our prayers and sacrifices go out to them daily, especially for those of good will. However, there doesn't appear to be any big relief in sight for their woes. In fact, it could get much worse and even violent if the warnings of Our Lady come to pass.

BAD OMEN

With all the non-stop coverage of the priest sex abuse scandal, we may have overlooked a very bad omen.

You may recall on March 12, a beloved clergyman and a longtime parishioner were brutally gunned down during the 9 o'clock Mass at Our Lady of Peace Roman Catholic Church in Lynbrook, (Long Island) N.Y., by a crazed man.

Father Lawrence Penzes, 50, had just finished his sermon and turned to sit down when Peter John Troy, 34, opened fire from the back of the Church, killing the popular pastor and 73-year old Eileen Tosner who was sitting in the second pew. Although Troy is Catholic, he was not known to attend the Church.

FIRST U.S. CASUALTY

Police are still stumped on what motivated the suspect to target Fr. Penzes, who is apparently the first priest in America to be shot dead in a sanctuary. "There is no prior relationship between Fr. Penzes and Mr. Troy and we have no idea why it appears that he targeted Fr. Penzes for this action," said Det. Lt. Dennis Farrell, commander of Nassau's Homicide Squad.

However, any devotee of the Bayside message knows that not only has Our

Lady warned us about tragic events like this but has given us the possible cause.

It seems a cold-blooded double murder like this is beyond the work of mere flesh and blood but is the calling card of Lucifer, the prince of darkness, a murderer from the beginning (John 8:44).

Our Lady has explained repeatedly that 666, Lucifer and his cohorts, the forces of antichrist, are walking this earth and will use any man, woman, or child not in the state of grace to do their works of hell. Our Lady has said that these deeds are so evil that they could only be conceived in the mind of Lucifer himself.

CLERGY IN CROSS-HAIRS

As sin multiplies and darkness envelopes the earth, satan's power is increased and "he has many disciples in human form" (Our Lady, Sept 7, 1977). And predictably, Our Lady says, satan is plotting murder and mayhem for the representatives of Christ: "O My children, your streets will run with blood because you have not listened. Pastors, a great attack is being planned against the priesthood. You will be shot down like targets in the streets" (Sept. 7, 1977).

SHORT EXORCISM

This is another reason why Our Lady has begged us to pray constantly the short exorcism of St. Michael for our protection in the world:

"Saint Michael, the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray. And do thou, O prince of the heavenly host, by the divine power of God, cast into hell satan, and all evil spirits who wander throughout the world seeking the ruin of souls" (Sept. 7, 1977).

Rose petal brings instant cure for deathly-ill woman

May 6, 2002

To whom it may concern,

On January 2, I was taken to the emergency room with an infection and a fever of 105 degrees. I had been sick all week in bed with chills and some strange infection that had taken over my glands in my neck. The doctor in the emergency room had given me antibiotics and strong pain medicine but still sent me home with 105 degree fever. The medicine didn't work.

That night I cried to my grandmother because I couldn't take it anymore. My glands in my neck were very bad and so was my

fever. About midnight my grandma gave me this card which had a rose on it and told me to pray. This mystical rose petal was mailed to her by my Mom who lives in New York. My grandma told me that if I had faith, the Virgin Mary and Jesus would help me.

I prayed and prayed until about 4 a.m. and then I went to bed. As I lay in my bed, a white light illuminated my room. It was dark outside but it made it feel like daytime inside my room.

All of a sudden I felt some warm hands touch my neck and stomach. It was a warm peaceful feeling that I will never forget. I lain

there quietly because it gave me a sense of peace and I started to feel better.

I got up and I cried to my grandma saying that these beautiful warm hands helped me. She looked at my neck, and my glands were no longer inflamed. My fever was gone, too.

I wondered why my stomach was touched and last week I had had a procedure done to see what they could find because for many years I suffered with my stomach. They found nothing wrong with me.

It was after that beautiful experience that I was able to eat better without getting sick. I haven't had any more

problems with my stomach. I realize now that those beautiful hands healed my stomach also.

In my heart I knew that something wonderful happened that night. The Virgin Mary was in my room and listened to my prayer. Mary and Jesus' hands cured me.

I need to share my story with the Church. Maybe others could know that with faith, miracles happen. I believe that if a miracle happened to me, it could happen to you.

I would also like to visit the place in which the Virgin appeared with Her Son. God bless you all.

Pastors shot down (cont from pg 1)

We have to take seriously and genuinely the dire counsel of Our Lady of the Roses, or "soon, like the steps of a ladder, you will find each prophecy come true. And it will accelerate as we hit the end of time, My children" (Our Lady, Sept. 27, 1986).

What this means is that more and more priests, both here and abroad, will meet a sudden and violent end like the beloved pastor, Fr. Penzes.

And we're not talking about atheistic, communistic countries like China where violence is a routine measure anyway for religious suppression. We are talking about so-called Catholic or free nations where these attacks will occur.

For example, in March, a Columbian archbishop of Cali was slain by gunmen who approached his vehicle and shot him six times. A few days later, another priest in Columbia was shot dead during Mass at the elevation of the Host.

SATAN'S ASSASSINS

Lucifer knows his time is short and one of his chief aims is to destroy the clergy: "There are many now walking the earth who are shells of humans. They will no longer be called humans. They will be called animals. They have given themselves to satan. . . . And there are many in

the clergy that shall be shot dead" (Our Lady, Aug. 13, 1977).

Interestingly, *In the Lion's Den*, an excellent book that documents the persecution and martyrdom of Christians today, Nina Shea writes: "The shocking, untold story of our time is that more Christians have died this century simply for being Christians than in the first nineteen centuries after the birth of Christ."

It only stands to reason then that as the hatred for Christians increases, the leaders of Christianity, particularly priests, will become the focus of their demonic rage.

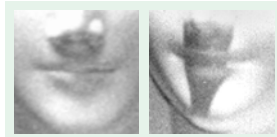

Certainly in recent times we all recognize that the mystique of the priesthood has disappeared. They are no longer untouchable.

WE NEED HOLY PRIESTS

And unless and until they return to the traditional discipline, practice and holiness that marked their state in former years, the respect and awe of their office, especially with this latest scandal, will not be restored.

On the contrary, priests will be viewed as fair game for those with murderous hearts who antichrist will use to pull the trigger.

Mother of the clergy, pray for us.

Typical:
the lips are straight, the cheeks are drawn, the expression solemn

A big smile:
the lips are curled, the cheeks are full, the expression is happy

"I have never been more happier and elated than when I saw this beautiful smile of Our Blessed Mother. With tears in my eyes I know now that my calling to be Her worker is more evident than it has been this past year. I pray and hope I'll be able to touch and kiss Her statue, in person, this June."

"It's great!!!! Just what we Baysiders need, especially out here in the immoral cesspool of California. We know She is there, but it's so very nice to get a vote of confidence, so to speak. Thanks a million, Blessed Mother!! We love you in California. And thank you, St. Michael's Order, for all you are doing for Heaven to get us through these terrible times of the Church and the world."

HELP! WE NEED A WAGON

IT'S A SAD DAY. OUR 1988 OLDS station wagon with 160,000 plus miles is being put to rest. We were hoping to squeeze another 10,000 miles, but it's not going to happen. Anyway, old blue will be missed—we'll get over it—but it has to be replaced because it was such a key part of our transportation that is so needed in the Mission.

It often transported Our Lady's statue to the sacred grounds, but regularly the wagon was loaded with sacramentals, statues and supplies for our service area we have at the Vigils and Sunday Holy Hours at the Shrine. It was also used for cargo, Bayside tours and meetings, go-fering, and to shuttle pilgrims to their numerous and diverse destinations.

We're car shopping now for a decent used wagon and we have a couple in mind but it will cost us some \$9,000. If any good soul can step up or 9 generous souls donate a \$1000 or 18 pilgrims contribute \$500, this untimely burden will be lifted quickly. If you can't afford a large gift, your \$10 or \$20 helps a lot, too.

Whatever your resources permit right now, we'll appreciate your thoughtful sacrifice today. And so will Our Blessed Mother. This is Our Lady's wagon doing Heavenly work.

Your Petitions

Many who cannot come to the Shrine send to us their heartfelt requests to be placed in our petition box resting at the feet of Our Lady for the duration of our 3-hour Rosary Vigil. Through Our Lady's powerful intercession many special favors and cures are granted. For those wishing their petition returned, please send it in a self-addressed stamped envelope.

Dear Jesus and Blessed Mother, please grant me:

Thank you, Jesus and Blessed Mother, for:
