

GOLDEN WARRIOR

notes

Our Lady's 37th Anniversary was very successful. Over 600 pilgrims attended the Rosary Vigil (see below) and 250 pilgrims attended the Banquet. We recommend that you see the full Anniversary photo report at smwa.org. It's excellent and awe-inspiring.

Our Lady impresses on BQE

Billboard posted July 6 on 278W about 200 yards from the Kosciuszko Bridge in Brooklyn, N.Y. Monthly circulation is 2.7 million. We are averaging 1000 more hits per day on our website and calls to our toll-free line has increased 25%.

Let's break even

As we reported in May, our 37th Anniversary expenses are \$27,260. As of mid-July we raised \$25,520, so we are short \$1740. Just a little bit more from all of our good and generous souls and we break even.
