### Spread far and wide

## “Bayside, The Facts Revealed”

**H**ERE'S THE PAMPHLET YOU'VE been dreaming about for years. Just what you need to set the record straight with all the Catholics in your area who have been completely misled about Bayside by the Brooklyn Diocese.

You've been saying for years, “If only the good people knew the truth, the real facts about Bayside, they would believe like I do, or at least be more open.” Well, this stunning brochure is certain to open up eyes (of the soul), turn heads and knock some socks off, too.

Now all you have to do is **get this message out**.

We mailed you an extra copy for your loved one or pastor, but you'll want to order more for your parish and Catholic organizations. The color pamphlets are **only 10¢ each** plus shipping and handling. The most important thing is exposure: that we get out the truth about Bayside to the teeming Catholic population worldwide. Then more pilgrims will come to the sacred grounds and more prayers for peace will rise to Heaven.

This crusade will be a major step towards correcting the misconceptions of the Bayside apparitions and improving our public image, too. All signs point to this pamphlet being very **effective and fruitful**,

because it seems like there was constant interference from the evil one.

Moreover, the next time a priest or parishioner tells you, “Bayside is condemned,” hand them this pamphlet and that should settle it. And maybe you might just win them over!

So order **today** for distribution, *Bayside, The Facts Revealed*. Our Lady is really counting on you because you were chosen to represent Her Mission in your town or city.

Jesus explains: “You are not here by accident. But with this great grace you have **great responsibility** to send this Message from Heaven throughout the world, for if you are able to recover just one more for Heaven, an additional star shall be placed in your crown” (Aug. 5, 1975).

We look forward to hearing from **you**.

### Hit the roof!

In November, we had our entire roofs and gutters replaced on Our Lady's workshop and the Lay Order of St. Michael's residence (above). We had delayed the inevitable for years, but when the water starting seeping in big-time producing interior damage in both buildings, that clinched it. In our mailroom, large chunks of peeling paint were dropping from the ceiling. (Just ask our wonderful volunteer, Margaret.) Anyway, the total cost was \$16,000 for the two roofing jobs. Your help to cover this cost is **truly needed** and greatly appreciated.

## From our family to yours, Merry Christmas and a blessed and prosperous New Year.

**Y**our prayers and sacrifices, gifts and contributions are vital to the robust health and success of this Mission. As a little gift of thanks to you, we have arranged a Christmas novena of Masses to be celebrated by Fr. James Lane (former lay order member) for all your special intentions.

With our enormous obligation and costs of this Mission, your thoughtful and generous Christmas gift is desperately needed now. We know that you depend on us, but to do our job, we depend on you—and so does Our Lady (June 18, 1982).

As we always say, whether it's a widow's mite or \$1000, everything counts and goes towards the noblest work of all: the salvation of souls.
