## LETTER FROM VERONICA

Sept. 30, 1976

Ave Maria!

Dear Sister Kathreen,

All Heaven's blessings in the light! I received your most welcome and warm-hearted letter today. It grieves me very much to know that satan is working with error and confusion to stop the good work of the Mission from Heaven. We must pray much for all poor souls in these days of the anti-Christ.

Msgr. King (former Chancellor of Brooklyn Diocese, Bishop Mugavero's office) has stated (I have the taped conversation) that he cannot forbid anyone from going to the vigils at the Vatican site in Flushing Meadows Park, as the site is in a city park and not on Church property.

### INVESTIGATION A SHAM

I also have proof that there was no formal investigation of the "alleged" apparitions or miracles. I personally by telephone asked Msgr. King, "Who were the people who were supposed to have investigated me?" Msgr. King said (I have the taped phone conversation), "Two Monsignors and a seminarian." (Msgr. McDonald, pastor of St. Roberts, Msgr. King and a seminarian who didn't agree with the Message?) To prevent embarrassment to Msgr. King and the bishop, I never released, in defense, these facts.

### VERONICA NEVER INTERROGATED

So you see, no one ever called me in to speak with me, etc. I one day marched into the Chancery with my hus-

Veronica in ecstasy receiving the Message from Heaven on August 14, 1978.

band to try to prevent going to the court—when they took us all to court for "trespassing on their private property."

Imagine that! I thought Jesus owned the Church and Catholicism is universal. We only went into the Church to say the Rosary in the Church because the homeowners (parishioners, Catholic) about the Shrine grounds came during the Holy Hour with rakes, shovels, etc., to "do us in!"

We sought peace and protection of Jesus at His tabernacle but the pastor and "non-believers" called us Catholic "trespassers." It is all so sad!

If other Bishops are saying not to go there (to Vatican site), who gave them such an order? That "order" was only for the St. Robert Shrine grounds!

### STIGMATIZED A MESSAGE THEY DIDN'T LIKE

We are persecuted without fair or Christian judgement in the name of obedience!! And is it not based on individual personal opinion?

"For those with faith no explanation is necessary! For those without faith, there is no explanation."

The two Monsignors (Msgr. King and Msgr. McDonald and the seminarian) took orders, I do believe, but from whom? The very group that seeks to control the world? God spare us such a trial!

As to my bishop, I have never even seen or spoken to him but do hear good reports now and then. The miraculous photos puzzle them—and the cures and conversions.

Dearest Sister Kathreen, you may show this letter or copy it for whomever the Lord directs you to. It is time for the truth to come forth.

No one can be stopped (in truth) from the Vatican site vigils or holy hours, and as for the message, papers, etc., given out: who can stop the truth?!

### I PRAY FOR OUR PERSECUTORS

Jesus and Our Lady are in battle with satan, the father of all liars, and it is the liar who says I was investigated, etc. Is this not to bear false witness against me? I pray every hour for the souls of our detractors, our persecutors.

It is truly the way of the cross! The sheep shall be separated from the goats in the battle ahead. Have great heart. We are on the victorious side, for after any penance there is a great joy!

I shall pray for your dear Sister Superior, etc. I am sure in time they will understand.

Please remember us all in your most powerful prayers.

Our hearts and prayers are with you always.

Lovingly in Christ,

Veronica J/M

Dear Michael,  
Veronica and Bayside will always be close to my heart! I have a long letter from Veronica which I cherish! I can no longer go to Bayside and my only means of supporting you is by my prayers. May our dear Blessed Mother and Veronica assist you in your needs. I am your devoted,

Dear Mr. Benevides,\*  
I hope you will be happy with a copy of Veronica's letter to me. Our provincial superior allowed Sister Viola and me to go to the vigils—then our bishop had her stop us. God knows all!  
Your loving,  
Sister Kathreen

\*Pres. Michael Mangan's secretary, John Benevides, answered the letter and requested of the good Sister a copy of Veronica's letter, which is published above in its entirety. If anyone else has received a personal letter from Veronica and would like to share it, please send us a copy.

### ST. MICHAEL PREVAILS

April 25, 2000

St Michael's World Apostolate,

My warmest regards are to St. Michael for bringing peace to a close relative's home. She had been overwhelmed by domestic violence, evil and chaos. As soon as she bought a beautiful statue of St. Michael and prayed—Jesus and Mary granted her beautiful peace!

The abusive spouse moved!

Thus, my entire family is most grateful to Jesus and Mary for sending St. Michael. He will be forever loved in our hearts.

### MIRACLE REUNION

Feb. 24, 2000

Dear Workers of Our Lady,

This is true. In October '99, I wrote a letter to you asking to help my husband and I get back together to save my children and all our lives. We were separated for four years. It was four years of hell for all of us.

You sent me a little paper telling me when you would put my letter at the feet of Our Lady during the vigil.

I wanted you to know, on that very date you wrote, my family came back together.

A real miracle! My husband and I are together now and my two children.

### WATERPROOF

Dec. 21, 1999

Dear Michael,

I gave the crosses to a friend at work and instructed her to put them on her doors of her house that has had a leak in the basement for years. She cannot afford to get this fixed as she does not have very much money and she has been frustrated with this problem every time it rains.

She did what I said and has not had a leak in her basement since—even through the hurricane when everything around was flooded.

She's a Methodist and active in her church, but is very respectful of the blessed crosses.

Keep up the good work,

Barbara Scaricamazza

### SPECIAL GRACE

June 21, 1999

Dear Mr. Mangan,

Thank you for your many messages of Veronica. When I attended one of the vigils, my daughter and I saw a great miracle at Bayside. Many stars, sounding like fireworks, falling on the statue of Our Lady.

God bless you,

Ms. Anna Sapienza

Lawrence, MA

### SORE THROAT HEALED

Sept. 2000

St Michael's World Apostolate,

Three years ago I used to always go to my doctor for my chronic sore throat. All they do is give me antibiotics that only make it worse.

One afternoon the mail came with a blessed rose petal. I immediately put the blessed rose petal on my throat and said a little prayer to Jesus and our Blessed Mother. It not only healed me but gave me so much peace and tranquility.

I thank you Jesus and Our Blessed Mother Mary for giving me this blessed gift.

### HARASSMENT CEASES

July 29, 2000

Dear Gentlepersons,

I had sent a petition to the Shrine for help with the bad phone calls I was receiving for many years. They have stopped altogether and the neighborhood has been quiet for many days.

I'm so very thankful for the wonderful intercession of Our Lady and St Michael's World Apostolate.

### ST MICHAEL RADIO SHOW

July 10, 2000

Dear Sirs,

We have been listening for a long time on WTIS in Tampa. Please put our names on your mailing list. We see so much trouble coming to America because of our national sins. God has to punish us for killing 50 million babies in over thirty years.

### ATTRACTIVE NEW BOOK

Aug. 23, 2000

Michael and fellow workers,

The cover on the new prayer and hymn book, *Music to Heaven's Ears*, is very beautiful. My little granddaughter, 4 1/2 years old, was attracted to it right away. I took her to Mass with me on the Feast of the Assumption and that's what she brought to Church with her—her prayer book!

God bless you all!

### ENJOYED WEBSITE

June 28, 2000

Dear Michael,

We would have loved to be there with you to celebrate the 30th Anniversary of Our Lady's Apparitions at Bayside, but unfortunately we could not make it and anxiously awaited the details on your website, [www.smwa.org](http://www.smwa.org).

We are so pleased with the detailed descriptions and photographs given by you on the web page which gave us the feeling of being there with you. There is no better way to describe an event than by displaying so many photographs, because words cannot describe what one sees.

God bless you all.

### TOUCHED DEEPLY

March 9, 2000

To whom it may concern,

After reading your *Heaven Speaks Today*, I was touched by the sincerity and truth of the messages from Jesus and Mary through the seer Veronica of the Cross. I do believe that these are profound warnings for the human race to wake up and change their lives, to turn from sin, and to live their lives according to God's Will so that they may save their souls before it is too late.

Thank you for the illuminating excerpts and prophesies. I do hope that the world will listen and heed God's prophetic words.

Sincerely in Christ,

Ms. Joycelyn Payne  
Astoria, NY

### YOUR PETITIONS

PLACED AT THE FEET OF OUR LADY

*Many who cannot come to the sacred grounds send their petitions to us to be placed at the feet of Our Lady for the duration of our 3-hour Rosary Vigil. As you can see, Our Lady hears the cries of Her children and delivers with love and care. For those wishing their petition returned, please send it in a self-addressed stamped envelope.*

*We welcome always your letters of any cure, conversion, blessing, or comment by mail or email ([smwa@smwa.org](mailto:smwa@smwa.org)).*

*For other outstanding testimonials, see the radio listing in our religious gifts brochure or on our website.*

### BACKGROUND STORY

From 1970 to 1995, the Virgin Mary and Her Divine Son appeared to the late Veronica Lueken, mother of five children, during Rosary Vigils at the Vatican Pavilion Site in Flushing Meadows Park, New York. Over 300 comprehensive messages packed with guidance and wisdom for these latter days were transmitted through this holy seer. The Vigils continue with Our Lady's promise to remain always on these sacred grounds. Cure and conversion abound and for countless pilgrims, faith and hope have been restored.
