Our Lady seen by dozens

I KNOW WHAT I SAW

July 30, 2004
Dear Michael,

Here is my testimony as a witness to the miracle at Bayside on June 19, 2004.

I was sitting in my chair saying the Rosary, with friends sitting on both sides of me, when suddenly I saw many people to the right of us separate. My good friend, Marie Hartigen, nudged me and said we should go over to where the people were standing and see what was going on.

We made our way over to where they were standing and leaned forward to see what they might be looking at.

There in the sky, maybe 30 or 40 feet above the ground, was the Blessed Mother holding the Baby Jesus in Her left arm. She appeared as a statue made of stone but the color of concrete.

At first I turned from the statue. I felt unworthy to view this holy statue of the Blessed Mother of God and the Baby Jesus, but I was drawn to see this miracle. And as my fears of unworthiness left and I gazed longingly at the Mother and Child, I could see the folds in Her gown. The Baby was sitting on Her arm, not reclining, and the Blessed Mother was wearing a crown.

The crown was not like the crown we have for the

I hope this miracle is a confirmation for many other souls whether they were there to view it or not. For as Our Lord and Savior Jesus Christ said to the apostle, Thomas, "Blessed are those who believe and do not see."

I HAVE NEVER SEEN ANYTHING LIKE THIS

July 7, 2004

I was helping at the religious gifts service area on June 19, 2004, at the 34th Anniversary Vigil, when Mary Bauer came over and told me to come and look up into the trees above Our Lady's statue. She said that people were seeing Our Lady there. I went over and immediately saw what she was talking about. In the pines to the left of the statue, I saw two bright white figures, Our Lady with Jesus in Her left arm. Both of them were wearing crowns. Even though I knew that it was the lights shining on the pine needles, both figures were clearly defined and shining.

I have been coming to the Shrine since 1973, and I have never seen anything like this. I saw Our Lady and Jesus without a doubt and so did many other people with me. I believe it was a gift from Our Lady because of the difficult times so many of us are experiencing.

AS PLAIN AS DAY

June 28, 2004

During some time late in the evening, I went over to where the pilgrims were praying. I believe Francis Harrington was leading the Rosary at the time. I noticed something was up because of the crowd looking up to the sky.

Then Mary Bauer, Michael Mangan's twin sister, told me to look up toward the light on the tree. That is when I saw an image of Our Lady of Mt. Carmel. Our Lady with Baby Jesus both were wearing a gold crown with a lot of gold-coloring all around. I saw this image as plain as day.

I have seen white doves over the years but I have never seen in the flesh, as it were, the image of Our Lady of Mt. Carmel.

I have good eyesight and I know what I saw and it was Our Lady of Mt. Carmel and to me this was a spectacular image.

I STUDIED IT INTENTLY

July 2004

This is my testimony.

I had left my seat and went walking on the street when I heard someone say that there is an image of Our Lady of Mt. Carmel in the trees.

On my return to my seat I looked up at the light reflecting in the trees and sure enough there was a clear unmistakable image of Our Lady of Mt. Carmel—Our Lady in a light beige gown with the crown on Her head and the Infant Jesus in Her arms with the crown on His head. I gazed at this image for a long time and studied it intently and there is no mistake that it was an image of Our Lady of Mt. Carmel.

A PHENOMENON

July 15, 2004

Dear Michael and James,

On June 19th, 2004, I was at the 34th Anniversary Vigil of Our Lady's Apparitions at Bayside. When I was sitting and praying the Rosary on the sacred grounds, I suddenly heard a commotion. The pilgrims were standing and pointing at the pine trees and were quite in awe.

I'm thinking it was about doves, so, I'm looking around to see the doves. Then my daughter told me she saw Our Lady of Mt. Carmel. The light shining on Our Lady's vigil statue was reflecting on the branches of the pine trees above the statue. I saw Our Lady of Mt. Carmel in the branches of the pine trees.

This was quite a phenomenon.

A BEAUTIFUL VISION

July 2004

Dear Michael,

On June 19th, the 34th Anniversary Vigil, Our Lady of Mt. Carmel came to the holy grounds after the 9 p.m. blessings. Our Lady was in the habit of the Carmelite Order with the Child Jesus in Her hands and the crown on Her head. Our Lady was on top of the high tree behind the excetra of the Vatican Pavilion Site. It was a beautiful supernatural vision reminding us of the importance of the brown Scapular.

IT WAS VERY AGLOW

July 29, 2004

Dear SMWA,

In honor of the 34th Anniversary of Our Lady's Apparitions at Bayside, I attended the vigil on the holy grounds on June 19th, 2004.

I had been on the holy grounds since 3 p.m. and sometime after 9 p.m. a small group of people, a little to the left of the excetra, were pointing above the statue. A gentleman pointed to the trees and told me Our Lady was holding Jesus. I looked very closely but could not see the vision and went back to my prayers.

About ten minutes later, I moved over to the left so that I would have a better view. The spotlight that illuminates the statue of Our Lady also shines above on the trees. This light is what I initially noticed but it suddenly got very bright and appeared to move closer.

At this moment, I saw Our Lady of Mt. Carmel holding the Child Jesus. They both wore a gold crown. Our Lady was dressed in the brown habit and Jesus wore a long light-colored gown. I could not see Their faces clearly.

At times, they seemed to move forward and downward. The vision was very aglow and appeared to be very solid rather than abstract or transparent. I was able to experience this for about ten minutes.

I attest that these facts are true and as accurate as I can recall.

A VERY FRUITFUL WEEKEND

June 28, 2004

Dear Michael,

My friend, Carolyn Donovan of Portland, Me., was granted many graces at the Anniversary Vigil and holy hour for priests. She saw Christ the King on Saturday evening and I saw Our Lady of Mt. Carmel. On Sunday we both saw the Sacred Heart of Jesus in full body on the excetra wall.

Thank you again for a very fruitful weekend.
